FamJam Break As we have been learning about hearing God's voice this month, our Family and Children's ministry wants to share what the Lord seems to be speaking to them. We feel the need to temporarily pull back and take a break from our monthly FamJam service in order to really focus more on our KidJam program during the 11 am service. We feel called to minister more effectively than ever to our elementary school students and families, so we are re-evaluating and dreaming of how to best accomplish this mission. We are excited about where the Lord is leading us. Look for us to offer FamJam type services a few times a year as well. Thanks for your prayers in the process.
